~400
Multinational
Companies

~500
Active
Investment
Organizations

The data relates to the city and nearby surroundings

Source: Innovation Authority adaptation of CrunchBase and IVC data

➤ Israel Innovation Authority – Our Mission

Strengthening the competitiveness
of the Israeli Innovation hub

Startups

Direct investments in ground-breaking
high-risk tech-based ventures

Emerging Technologies

Applied research, labs, talent

Removing Growth Barriers

Regulation, Taxation, Human Capital & more

➤ And What About War Time?

➤ IIA's Initial Bridging Fund

- \$100M in a **Fast-Track** program to extend Israeli startups' runway
- Matching by private sector → overall investment of \$250M
- Focus on Hi-Tech Companies with:
 - Short runway
 - Technological assets
 - Product development phase or early sales phase
 - Low availability of investment capital from its current investors

➤ Israeli Tech Continues to Disrupt

- UBP
- Brenmiller Energy
- Beewise
- Lumen
- Salistick
- Wiliot
